maintaining the “NLP Tutor Sign-In Folders” and for reporting volunteer hours to the NLP. Site Coordinators are responsible for an on-site orientation for the Program Coordinator and student volunteers (tutors). The orientation will provide information on the rules and regulations that govern your facility, as well as, insight on the personality of your site. All tutors must be under the supervision of a Site Coordinator (AISD Personnel) or Program Coordinator (NLP Staff) during the entire session. In the event that tutoring is cancelled for the week, a one-week advanced notice must be given to the Program Specialist, Program Coordinator and student volunteers (unless an emergency arises; if so, please call the NLP office ASAP). If tutoring is to be cancelled for the entire semester, notification must be given to the Program Director and Executive Director. Credit for the tutoring component will only be given to those sites who adhere to the above criteria.

5. SPECIAL EVENT OPPORTUNITIES: NLP Participating sites are required to attend at least 2 special events throughout the school year. As opportunities arise, the NLP will invite each site to at least two special events throughout the school year on a rotating basis. Special events include, but are not limited to: attending athletic events that are held on the university campus (limited number of tickets available); hosting Coach G’s Hook ‘Em on Reading assemblies or Coach Clarks’ DIRT Leadership Assemblies; or attending the Texas Iron Spikes Baseball Clinic or UT Softball Clinic. In addition, entertainment events like Kinsolving Dormitory Halloween Carnival, the Kappa Alpha Psi TAKS Celebration or any event where a WEBTRIP request is submitted on behalf of The NLP (excluding the Scholarship Banquet and SpringJam!) will count as a special event. Special opportunities and other promotions, such as Lunch with a Coach, may arise to reward sites (on a rotating basis) that demonstrate consistent participation throughout the year. The Scholarship Banquet, Lunch with a Coach, Teacher Appreciation, and SpringJam! will not be counted toward the special event requirement as it is an incentive for participants for the preceding school year. Please refer to the Site Coordinator handbook for more details.

6. NEW SITE: NLP schools that are in their first two years of participation are considered a “New Site”. The NLP categorizes these schools as new sites to allow the school to become accustomed with the program and all it entails (i.e., data collection, data entry, event participation, etc.). New Sites are eligible for educational incentives, including scholarships, and are invited to attend all special events. However, New Sites will not be considered for tutoring within their first two years. This will allow both The NLP and the New Site to build a partnership and establish program rapport.
Please circle and initial by desired level of participation:

* Sites with larger participation (greater than 150 students) will receive an additional $50 per 50 students. Stipends are distributed based on the number of participants and data (report cards and data entry) submitted at the end of the school year. (Please refer to chart)

** Sites participating in 4 or more events throughout the school year will receive an additional $25 stipend

Termination of participation: It is understood that the school may be placed on probation for non-compliance per Service Agreement requirements: Recruitment and Membership, Data Retrieval and Data Entry, Prize Sessions, Tutoring Accommodations, and Special Event Participation. School must rectify situation within current school year. If site continues to not meet requirements, the school will forfeit its participation status for the following school year upon which it will be invited to participate, pending space availability. Either party may terminate this agreement with a 30 day written notice, without cause.

If changes are made, it must be submitted in writing and agreed upon between both parties before the changes are implemented. By signing below, I have read and accept all terms of this agreement. I understand that all criteria must be met in order to receive the NLP services and stipend.

I, as Principal of above listed school, have read, understand and agree with all the conditions for participating in The University of Texas at Austin Neighborhood Longhorns Program, and I am fully committed to its implementation in my school for the 2011-2012 school year.
