# How are we “Framing the Issue” in Texas?

# Strategic Planning

---

In the 2016-2017 academic year, the Consortium Advisory Council underwent a strategic planning process to identify a clear mission, vision, goals, and strategies to propel the ongoing efforts and initiatives required to systemically support male students of color. We convened the following strategy sessions over the past academic year:

- Fall 2016 Advisory Council Meeting (Houston Baptist College)
- Winter 2016 Advisory Council Meeting (South Padre Island)
- Spring 2017 Advisory Council Meeting (UTSA – Downtown Campus)
- TX Male Leadership Summit; Advisory Council Meeting (UT-Austin)
- Fall 2017 Fall Institute (Tarrant County College – Trinity River)
- Spring 2018 Advisory Council Retreat, May 15 and 16 (UT Austin)

# THE VISION

---

Advancing equitable educational outcomes for male students of color at the local, state, and national level

# THE MISSION

---

The Texas Education Consortium for Male Students of Color (“Consortium”) partners across educational sectors (i.e. independent school districts, 2-year colleges, and 4-year institutions) to implement and sustain effective policies, programs, and practices focused on increasing individual success and post-secondary completion for male students of color.

# CORE VALUES

---

- **Student Empowerment:** Valuing student voices, perspectives, and experiences of males of color and their communities, which we define as Latino, Black, African American, Asian American and Pacific Islander, and Native American
- **Collective Knowledge:** Leveraging collective knowledge, collaboration, and expertise across sectors who support education
- **Culture of Evidence:** Creating new knowledge around male students of color through empirical evidence with an asset-based approach
- **Educational Achievement:** Committing to post-secondary educational completion as a means for success
- **Scale and Sustainability:** Institutionalizing system-wide equity for male students of color

# Consortium membership update

- 39 Consortium partners have committed to becoming a part of the Consortium for AY 2018-19, with two community college districts coming on-board.
- Alamo Colleges District (ACD) & Tarrant County College District (TCCD) have signed on as District Consortium members at a reduced rate. That represents eleven individual campuses (five campuses at ACD, and six campuses at TCCD).
- This AY membership is well represented across all three sectors of the Consortium; school districts, community colleges, and universities and from all regions of the state
- We will be sending a reminder email for members who have paid, so please stay tuned.
- If you are unsure about your status please let us know.

# Consortium Membership Benefits
