<table>
<thead>
<tr>
<th>Purpose</th>
<th>Goal</th>
</tr>
</thead>
</table>
| • To cultivate a state-wide network of K-12 and higher education institutions and practitioners  
• To collaborate, share expertise, advance research, and leverage resources in a coordinated effort to make a collective impact on the state of Texas’ imperative to improve male student success (K-16) | • Use the strategy of collective impact to align existing programmatic efforts and stimulate new capacity-building initiatives that will enhance the educational attainment of Hispanic and African American males |
